

YUKON ENERGY CORPORATION

Financial Analyst-Operations

Position # 99-08

The Opportunity: Financial Analyst-Operations

Permanent, Full-Time unit position, based out of Whitehorse, Yukon.

Are you a data-driven Financial Analyst looking for a permanent opportunity to turn numbers into real impact in one of Canada's most stunning and remote regions? Yukon Energy is seeking a talented individual to join our Operations team in Whitehorse, Yukon — where your analytical expertise meets both meaningful work and endless adventure!

Who we are: Yukon Energy is the primary generator and transmitter of electrical energy in the Yukon territory, operating within the Traditional Territories of Yukon First Nations. We take pride in our commitment to sustainability and collaboration with Indigenous communities across all our operations.

What will you do: As our Financial Analyst, you'll support the operational and financial health of the department by:

- Analyzing cost and performance data to build clear, actionable financial reports,
- Developing and maintaining forecasting models, budget scenarios, and variance analyses,
- Partnering with cross-functional teams—from operations supervisors to corporate finance—to align insights with capital and O&M projects,
- Identifying trends, highlighting variances, and recommending efficiency improvements through robust financial modeling and forecasting.

What you need to succeed:

Education and Experience:

- Bachelor's degree in Finance, Accounting, Business Administration, or a related field.
- 2-4 years of experience in financial analysis, preferably within an operations environment.

Skills:

- Proficiency in Microsoft Office suite (MS Teams, SharePoint, Excel, Word, PowerPoint, Outlook, etc.) preferably 365.
- Experience with financial software and ERP systems is a plus.
- Experience with EAM systems is a plus.
- Strong analytical and problem-solving skills.
- Excellent communication and presentation skills.
- Ability to work under pressure and manage multiple tasks.
- Ability to work unsupervised.

Key Competencies:

- Financial Acumen: In-depth knowledge of financial concepts, budgeting, forecasting, and cost analysis.
- Analytical Thinking: Strong ability to analyze complex financial data and provide actionable insights.
- Detail-Oriented: Precision and attention to detail in financial reporting and analysis.
