

YUKON ENERGY CORPORATION

Powerline Technician- Dawson City

Position # 84-15

The Opportunity: Powerline Technician

1 Year Term, Full-Time bargaining unit position, based out of Dawson City, Yukon.

Are you a skilled Powerline Technician (PLT) seeking a unique, short-term opportunity to work in one of Canada's most stunning and remote locations? We're looking for experienced PLTs for a 1-year term in Dawson, Yukon—an unforgettable adventure awaits you!

Who we are: Yukon Energy is the main generator and transmitter of electrical energy in the territory. Our plant facilities are on the Traditional Territory of Yukon First Nations. There are 14 First Nations in the territory, and we are proud to work within these Traditional Territories in all our business operations.

What will you do: Participates as a member of the Transmission and Distribution team and works in the construction and maintenance of electrical transmission and distribution systems, including substations, street light systems to maintain continuous and satisfactory service to customers. Provides relief coverage for Yukon Energy's service areas.

What you need to succeed:

- Journey Power Line Technician with rigging and hoisting certification with several years of related experience.
- Strong knowledge of Windows based computer software applications.
- Rubber glove experience an asset.
- A proven track record and commitment to safe procedures and encouraging a safe work environment.
- Strong client service orientation with good interpersonal skills.
- A valid class 3 driver's license with air endorsement.
- A valid First Aid certificate.
- Ability to work in a team and cross-cultural environment.

Compensation: Level 8A: \$50.93-\$60.82 per hour plus a Northern Allowance Package and Location Allowance.

What is in it for you:

- **Northern Allowance:** \$6,650 + 5% added to base salary
- **Location Allowance:** \$2,700 per annum
- **Comprehensive Benefits Package:** Starts on day one of employment
- **Generous Leave:** 4 weeks of vacation, 4 weeks of sick leave, and 40 hours of special leave
- **Travel Allowances:** For you, your spouse, and dependents
- **Overtime Compensation:** Paid at double rate, plus per diems and standby pay
- **Annual Wellness Benefit:** Supporting your well-being
- **Relocation Assistance:** To help you transition smoothly
- **Cell Phone Subsidy:** Stay connected
- **Training & Development:** Opportunities for growth and learning
- **Community Impact:** Be part of something bigger and make a difference in the Yukon

Why Spend a Year in Dawson?

Dawson, located in the Northern Yukon, offers a chance to experience life in a small but vibrant northern community. Even though it's a 1-year term, your time here will leave a lasting impression.

YUKON ENERGY CORPORATION
Powerline Technician- Dawson City
Position # 84-15

A True Northern Experience: Immerse yourself in the unique lifestyle of the Yukon, where the Northern Lights paint the sky and outdoor adventure is part of daily life. Hiking, fishing, hunting, and more are right at your doorstep.

Community and Culture: Dawson is known for its strong sense of community and the frequent cultural events that bring everyone together. It's a great place to experience a welcoming and inclusive environment while you work in this northern hub.

A Year of Adventure: Whether you're looking to step away from city life or you're a nature enthusiast, this is your chance to live and work in a location like no other for an entire year.

We strive to achieve a skilled workforce that is representative of the population we serve, and we are committed to the employment and professional development of Yukon First Nations citizens. First Nations candidates are encouraged to self-declare.

To **apply** please go to [Recruitment \(adp.com\)](https://adp.com). If you have any question, please feel free email People & Culture via email at hr@yec.yk.ca. The posting will remain open until the position is filled.
