

ENERGY MANAGEMENT WORKSHOP

The Yukon Energy Corporation, Yukon Electrical Company Limited, and Natural Resources Canada are partnering to host a one day workshop to help you spot the energy savings opportunities in your workplace.

THIS ONE DAY SESSION WILL COVER:

- Energy “basics”
- The importance of managing energy
- Answer the question “how do we begin?”
- A seven step framework for identifying energy saving opportunities
- A checklist of savings opportunities common in most workplaces
- Calculating the financial value of energy efficiency projects
- Low cost/no cost ways to save
- Building an effective business case for energy projects
- Tools and techniques that have been helpful for northern businesses and governments

WHO SHOULD ATTEND?

- First Nation and municipal decision makers;
- Small business owners; and
- Anyone responsible for making energy-related decisions.

There are 30 spaces for this course and registration is on a first come first serve basis. Registration (including payment) must be received by April 13, 2012. All travel and accommodation is the responsibility of the participant.

The workshop is facilitated by Brian O’Donnell (P. Eng.), an energy management consultant who brings a hands-on approach to developing energy management capacities for your operation.

A working lunch will be provided. For more information please contact Janet Patterson at (867) 393-5333 or janet.patterson@yec.yk.ca.
